

Change Partnership offers an exciting 6 month internship at the heart of European climate and energy politics in Brussels. Established in 2013 to solve the politics of climate change, Change Partnership develops innovative ideas and narratives, builds political momentum and works alongside NGOs, progressive industry and the media to win key reforms to climate legislation.

You will get a first hand opportunity to build your knowledge, skills and an effective understanding how really Brussels works. You will be based in the Mundo B office alongside many other civil society organisations. In return you will receive a chance to make critical steps in shaping the future of the organisation. Good remuneration will be provided.

We offer a unique programme which includes:

- Developing research skills;
- Report writing;
- Making documentaries;
- Working in a not-for-profit civil society environment.

In return, we are looking for someone who has:

- A good command of written and spoken English;
- Polish, Czech, Chinese or other languages are a bonus;
- Some understanding of EU processes and climate change or a willingness to learn;
- Video editing/graphics skills, although not essential, are a bonus;
- A laptop;
- Maturity, energy and ideas.

To apply, please outline in your motivation letter what three problems blight the European Emissions Trading System (EU ETS) as well as your solutions to fix them.

Successful applications will be invited for a Skype interview. Send your CV and motivation to sanjeev@changepartnership.org by midnight on 15 August, 2016. The successful applicant will start in early September.
